JUNIOR HI’S HAPPY WITH NEW SKILLS FROM LEADERSHIP CAMP
“Without the training, I wouldn’t be speaking here today.” Julia Harrigan

Students John Wassman, Julia Harrigan, Ben Romero, Dylan Toolajian and Kyle Daruwalla spoke at our October 2 luncheon and described their experiences with the Youth Leadership training Institute at the College of NJ in Ewing. Their stories were full of excitement, wonder, and self-discovery. John helped to plan a new town, while Dylan made new friends, including one from a formerly “unknown place called Cold Harbor”. Kyle was impressed by how well he learned to listen, and Ben couldn’t believe that he enjoyed a week of “12 hour school days”.

Nancy Holt

The eighth graders were accompanied by parents and school officials, including Carol Soder of the Guidance Dept. and Bob Accourdi, Assistant Principal of CMS, plus Builders Club leader David Corcoran of St. Patrick’s. They expressed appreciation for the sponsorships that we had provided, and joined our members in hoping for a continuation of the summer Leadership Institute. The many smiling faces attested to an entertaining presentation as well as to the heartwarming content of the student’s stories.

Chatham Kiwanian for 64 Years Celebrates 100th Birthday– Cheers, Bill Bradley!

In a proclamation signed by our own Dick Plambeck, Mayor, the Borough Council proclaimed Bill’s birthday, November 28, 2007, as William A. Bradley Day in Chatham. Bill moved to Chatham in 1935 and started his present funeral home business in 1943, the same year that

he joined the Chatham Kiwanis Club. He has a long history with our club, and so we will celebrate his birthday during our meeting on the 27th. We are happy to have his son, Rich, as our guest that morning, and he will show us a short video with highlights of Bill’s life here, including the presentation of a Kiwanis award. Any who know friends or former members from the time that Bill was active here are urged to invite them to join us for our celebration.

Fund-Raising

“Our first annual *Great Pasta Dinner* was a success. It met our goals and raised \$2000. for youth projects” Chairman Dave Pike Photos, Corkie Zeigler

“I am happy to report that our plan for a family-oriented fundraiser had succeeded in attracting parents with young children”, Dave told our members at the October 30th meeting. He said that the buffet style service, with its speed, flexibility and portion choice, had been universally praised. Volunteers from our club and from the Builders and Key Clubs worked well together and with our caterer, Tony Arminio. According to Dave, Bert Whalin reviewed the logistics of buffet service with Tony, and then helped the student volunteers to understand their part in the process. Dave also said that Tony and his father, Anthony, were impressed by the enthusiasm of these students. Their willingness to help and to work hard is not new to our members. We have welcomed the students’ help, and appreciated it, for many years.

Dave invites comments on the dinner, and suggestions for the next time we do it. Speak to him at a meeting, call 973-635-6911, or email dapike@optonline.net

Holiday Nut Sale

“The nuts are here, and at last year’s prices!” John Eyre and Lloyd Wise, co-chairs

There is a crispness in the air and it is time to think about our fall fundraiser, the sale of holiday packs of nuts and chocolate covered nuts. We have the same assortment of packages and canisters that we had last year and fortunately there have been no increase in the cost to us so we can continue to charge the same prices.

Please continue to think of those who ordered nuts from you last year and also think of new people who might be interested in buying nuts and candies for the holidays. A package of pecans is a great gift for anyone who likes to bake cookies or pies for the holiday season. A tin of cashews or peanuts can be a healthy snack to have around when you have company visiting. Please think of that broker who has been making money on your account for years or the attorney who prepared your will or estate plan or the dentist who might like to send a holiday gift to his patients. All are excellent candidates for you to approach. We have discounts available for large orders.

An order form may be found on page 5 of the newsletter. We will also have order forms available at the luncheon and breakfast meetings during November, and into early December.. Thank you for your help in continuing our Kiwanis fund raising efforts.

Circle K News

“Thank you, Kiwanis. With your help, we gained a better understanding of how Circle K works!” Laura Zolnoski, President of the Drew Chapter, our sponsored Club.

Laura wrote to thank our club for the support we provided when she and Kelly traveled to Portland, Oregon, for the Circle K International Convention this summer. The inner workings of the Circle K organization were fascinating, and enjoyable, to Laura, especially when she discovered that her high school experience with parliamentary procedure allowed her to feel very much at home with the corporate-level methods practiced during the Convention.

Locally, the Drew chapter under Laura’s leadership took part in a **Light the Night** walk, and raised \$750.00 for the **Lukemia and Lymphoma Society**. Another fundraising project is **Better World Books**, in which the books they collect, or the funds raised from them, will go to benefit the **Latin American Literacy** project. They will also be making blankets for **Project Linus** (for sick children), and will be raising funds for it by collaborating with **Firehouse Pizza** in Madison. An invitation for our participation will be announced when the dates are confirmed.
